Upholstery

Upholstery Workshop

A workshop for all abilities. Learn a variety of skills using traditional methods, eg webbing, springing, bridling, fitting top covers and buttoning. Project will be your own choice of chair or stool, small projects only as there are no storage facilities on site. Beginners welcome. The cost of materials is not included in the course fee. You will be expected to provide all items for your individual project. Some materials may be purchased from the College via the tutor. The tutor will give advice on individual project requirements. Please bring a wooden mallet, hammer, scissors, Stanley knife and a straight screwdriver to the first session and any other upholstery tools you may have. Any additional equipment/materials requirements for individual projects will be discussed at the first session.
